## CONGRESSIONAL & INTERGOVERNMENTAL

---

**Sen. Dianne Feinstein (D-CA):** Brent Maier shared some follow up information with Bill Kratz, District Director in the Senator's San Diego Office, who requested a summary of projects that have used Border Environment and Infrastructure Funds (BEIF) in the last five years, and to know if there are any future projects, especially in the Tijuana River Valley, that could be funded if additional funds were made available. Water Division provided some information and an Excel spreadsheet responsive to this request. Bill asked for an update on air quality and monitoring projects in Imperial County which our Air Division pulled together some additional information on which was also shared with Bill Kratz in a separate follow up message. Thanks to our Water and Air Division for their quick responsiveness to this request.

**Congressional Outreach on Pesticide Enforcement Settlement:** Brent Maier shared today's press release with Congressional staff in the offices of Senators Dianne Feinstein and Kamala Harris and Rep. Jerry McNerney (D-CA-9) announcing a settlement with San Joaquin Sulphur Company over a pesticide that was unregistered, improperly labeled and sold in inadequate packaging at its facility in Lodi, Calif. The company, a farm supply retailer, will pay a \$25,127 civil penalty and has since corrected all identified compliance issues.

**Rep. Ro Khanna (D-CA-17):** As a follow up to our recent Triple Site Tour in which a staffer from the Congressman's office, Mason Raymond Fong, joined us, he sent us a few requests for information which included a request for a map or list that shows all the TCE sites within California's 17th Congressional District and if this resource also has the name of the companies responsible for the waste, he would appreciate that as well. Brent Maier let Mason know that we should be able to provide him with the requested map/list by the end of this week.

**Rep. Judy Chu (D-CA-27):** As a follow up to a request for a briefing on our storm water program brought up during our recent District Office meeting, Brent Maier has reached out to Water Division's David W. Smith and offered up a potential follow up call to provide their District Director Becky Cheng and Deputy District Director Enrique Robles with a storm water briefing for Wednesday, July 5<sup>th</sup> at 3:00pm. Awaiting confirmation back as to their availability for a call.

**EPA Meeting with San Francisco Mayor and Supervisor to Discuss Hunters Point Naval Shipyard:** Mayor Edwin Lee and Supervisor Malia Cohen invited EPA to a meeting today regarding the Navy contractor Tetra Tech falsification of radiological test results. In addition to EPA, they invited the Navy, California and San Francisco environmental agencies, San Francisco Office of Community Investment and Infrastructure, and Five Points (developer). Laura Duchnak, Director of the national Navy Base Realignment and Closure (BRAC) Program Management Office, will share the Navy's progress by its 3<sup>rd</sup> party independent contractor to develop a workplan to scan and collect samples at potentially affected portions of the Shipyard in the next 10-16 months. The agenda includes the following: 1) progress made on the clean-up, 2) status of the final determination around necessary sampling, 3) community engagement and outreach, and 4) impacts of this additional sampling to the final timeline for transfer.

**House Energy and Commerce Committee:** The Energy and Commerce Committee met today to vote on eight bills, including nuclear waste legislation aimed at advancing Yucca Mountain, a reauthorization of EPA's brownfields program and a bill to delay tighter ozone standards. Link to full agenda and bills is [here](#).

**Rep-Elect Jimmy Gomez (D-CA-34):** Jimmy Gomez, the California Democrat elected to succeed former Rep. Xavier Becerra in the House, will be sworn in on July 11, a senior Democratic aide said Wednesday. Gomez was elected to the

Los Angeles-based district on June 6<sup>th</sup> but his swearing-in has been postponed for weeks in what Gomez and allies have described as a “family conflict.”

**Tomorrow - Rep. Juan Vargas (D-CA-51) & Sen. Dianne Feinstein (D-CA):** Brent Maier has coordinated and will participate in a call along with Water Division’s Mike Montgomery with Paola Guzman in Congressman Juan Vargas’ Chula Vista office and Bill Kratz in Sen. Dianne Feinstein’s San Diego office to provide an update on Tijuana River Valley and water sampling efforts by EPA. The call is confirmed for Thursday, June 29<sup>th</sup> at 10:30am and Water Division’s Mike Montgomery will lead this discussion/update for Region 9.

**Tomorrow - Senate Environment and Public Works Committee:** The Senate Environment and Public Works Committee will meet to discuss and vote on a handful of nominations and bills. The agenda includes Susan Bodine, nominee to head the enforcement office at the Environmental Protection Agency (EPA), along with Annie Caputo and David Wright, tapped for Nuclear Regulatory Commission positions. The legislative business includes reauthorizations of the Diesel Emissions Reduction Act and the EPA's brownfields program.
